

**To Advertisers.**  
The circulation of this paper is not increased by any other paper in the State. It therefore offers advantages which they will not find elsewhere.

**Advertisements This Evening.**

**METROPOLITAN THEATRE.**—M. L. F. BARNETT, Manager, at the Hotel.  
**MARION HALL.**—M. L. F. BARNETT, Manager, at the Hotel.  
**STATE MUSEUM.**—Klondike Block, East Washington street. Open day and night.

**CITY ITEMS.**

**A Prevailing Malady.**—Incompatibility of Temper.

**STATE LIBRARY.**—The number of volumes in our State Library is about 25,000.

**Too obscure for the finite mind to decipher.**—The excellent engraving which the telegraph copy came to us last night.

**OUR TOWNSHIP LIBRARY.**—The Center Township Library is the only one in the city having secured the Council Chamber, with their usual monthly meeting in that place to-night. All the members are invited to be present.

**Joseph W. Davis has concluded to correct his application for a building permit, and not go to law about it. The Board has granted the application, and the Board was right in the premises.**

**Balls and secret parties** are given almost nightly in different parts of the city, and young people are apparently "driving dull care away"—if they have anything of the kind to disturb their peace and happiness.

**PERSONAL.**—Hon. M. C. Kerr, M. C. elect from the Second District, called on his last evening en route for Washington. Congress meets next Monday week, and we predict that the Second District will be ably represented in the next Congress.

**ARREST OF COUNTERFEITERS.**—Deputy United States Marshal Bigelow yesterday brought in two prisoners, whom he had arrested at Dover's Hill, Martin county, for counterfeiting. The men's names were Joseph B. Nelson and Logan F. Frame.

**TEMPERANCE CONVENTION.**—A Mass Meeting of the temperance men and women of Indiana, will be held at Indianapolis, on December 5, 1865, to promote the cause of temperance. The friends of temperance throughout the State are earnestly solicited to attend.

By order of the Committee.

**RETURNED.**—Our townsman, Rev. N. A. Hyde, pastor of the Congregational Church in this city, returned yesterday from his European tour. He returns in excellent health and seems in every way the better for the trip. We learn that his congregation proposes to give him a reception at his church to-night.

**TERMINOLOGY.**—A beautiful silver goblet will be given by the managers to the best lady writer, at the grand ball which comes off at Masonic Hall on next Monday night, under the auspices of the stockholders and friends of the Governor Morton. The goblet is now on exhibition in the show-window of the jewelry store of Jenison, Nelson & Co.

**A BIGAMIST.**—Horace Patterson was up before Esquire Coulton yesterday morning, on charge of bigamy, and was found guilty. He married the second time, in the city, more than three weeks ago. It was in evidence that he had a wife again in Illinois. The amount of his bail was fixed at \$100. His finances were inadequate to the occasion. He therefore went to jail.

**A PREVENTION.**—The latest application of the modern "waterfall" that has come under our observation, was yesterday evening, when we saw a man going along the street followed by a spotted cur, to whose pull was appended a huge "waterfall." That man was a practical artist, and the dog the agency by which was illustrated the exceeding absurdity of a ridiculous fashion.

**IT has been ordered by the War Department that commissioned officers of the Veteran Reserve Corps, who were in service as officers of said Corps, on or before March 3, 1865, and who may be discharged under the provisions of General Order No. 135, current series of the Adjutant General's Office, will be allowed the three months' pay provided by the act of Congress, approved March 3, 1865.**

**ASSESSMENT.**—The following are the assessments made by Mr. Bradshaw in the Sixth Collection District of Indiana, for United States Internal Revenue purposes, during the four months last past:

July.....\$24,480 94  
August.....29,231 67  
September.....32,100 47  
October.....36,036 71

Which shows a visible increase each month. The recent investigations have probably had something to do with the manifest increase.

**BURGLARY.**—The house of Mr. W. D. McCormick, No. 282 North Tennessee street, was twice entered on night before last by a burglar.

The first entrance was about seven o'clock P. M., and the second visit was about midnight. He succeeded at the first visit in carrying off some \$50 or \$60 worth of clothing. The second time his purpose was discovered before he had time to consummate his purpose. This was certainly a bold attempt, for at the time he made his second visit Mr. McCormick's brother was in the yard watching.

**STILL ANOTHER BURGLARY.**—The Oriental House was at night before last the scene of a refreshingly bold burglary as we have heard of for some time. At about the hour of midnight, and within the space of perhaps half an hour, four persons were entered. All the victims were members of the Legislature. Hon. John Bowman, member from Crawford, was robbed of a gold watch and \$20 in currency. Hon. John W. Leup, member from Harrison, was relieved of \$45 in change. Hon. John Lemon, member from Washington, was assessed for \$50, while Hon. Michael Shuey, member from Elkton, was relieved of a gold watch and chain. The robbers all seem to prey upon the Legislature, and not the Honorable members protect themselves?

**MAYOR'S COURT.**—Affairs in the Police Court were similar in their nature to the usual catalogue, and the day was a busy one for His Honor.

**INTOXICATION.**—Stephen Murphy, James H. Johnson, Wm. Brady, Jas. O. May, John R. Rowe, Frank Hillert and Thomas Fisher, were all up for this offense, and all were found guilty. They all went to jail last night, who paid their fines and went their way.

**FAST DRIVING.**—Michael Caldwell and John Kern were each fined \$3 and costs for this offense.

One or two cases for disturbing the peace had not been concluded at the time of making this report.

**THE WEATHER.**—The past fortnight or more has been marked by an almost unbroken sunshine, and has been, all in all, such a delightful season, intervening between autumn and winter that it stands without parallel in the recollection of our oldest citizens. Indeed, summer still clings lovingly to earth, and is loth to depart. The light, frosty clouds have not yet given place to the dark, leaden clouds that were wont to brood over the earth during the continuance of protracted storms, and the driving mist-rain is still a stranger. Farmers are congratulating themselves on the continuance of this beneficent and propitious weather, and are enjoining up their work with trifling interruption, and much more than customary dispatch. Here in the city the pleasant season is fully enjoyed and appreciated by every one, and outside business moves unimpededly along. A change, however, can not all day coming soon, when the genial climate and pleasant skies will be exchanged for the reverse.

**LAW REPORT.**

**SUPREME COURT OF INDIANA.**—November Term, 1864. Day.—John H. Newman *ex parte* habeas corpus to be let to bail. The defendant is committed to the State Prison for murder in the first degree. Continued until next term. Harrison and Gordon for defendant; Seely for State.

**Doody vs. Wright.** Plaintiff applies for a habeas corpus for possession of her child, W. W. Woolen for plaintiff; Porter, Harrison and Fishback for defendant.

**UNITED STATES CIRCUIT COURT.**—BEFORE JUDGE McDONALD.—No. 711. United States vs. Harrison. Indictment for harboring deserters. Not pressed. Hanna for the United States.

**UNITED STATES DISTRICT COURT.**—BEFORE JUDGE McDONALD.—No. 812. United States vs. James C. Prior. Distiller without license. Judgment against defendant for \$250 and costs. Hanna for the United States.

**No. 900.** United States vs. Edward Regan. Manufacturer without license. Judgment against defendant for \$50 and costs. Hanna for the United States.

**No. 955.** United States vs. Walter H. Wells. Retailer of liquor without license. Judgment against defendant for \$100 and costs. Hanna for the State.

**No. 957.** United States vs. Robert McElvey. Retailer of liquor without license. Dismissed at cost of defendant.

**No. 982.** United States vs. Joseph W. Huston. Retailer of liquors without license. Dismissed at the defendant's cost.

**Amusements.**

**METROPOLITAN THEATRE.**—"Last night most positively of Rosedale." Is the announcement of the Manager, although there are sufficient elements of popularity in the play to run another week. But it must give way to other attraction, in order that Mr. Barrett may have a chance to show that he is as versatile as he is talented.

The announcement that to-night is the last night of "Rosedale" will crowd the house, as has been the case every night this week.

**MASONIC HALL.**—The last of Heller to-night at Masonic Hall. Every one regrets it, but every one regrets losing anything that is good. Heller is good, and greenbacks are his profit.

We have been to all his entertainments, and to some extent have become tainted with his punning peculiarity—*tail* because we like it.

Simply because we can't help it—just as we drink with a friend. A distinguished feature of Heller's work is his lucid explanation of all he does. We wish, however, he wouldn't do it, for the effect is all lost on us, or rather we find ourselves more and more in the dark the more he talks.

He tells us all the time he deceives us, and we know it; therefore why make our confusion greater by throwing words at us that render us little better than idiots when we leave the Hall. His fifth performance occurs to-night, and he will close at once. To-night Heller makes his appeal, secure seats at Benham's.
